

## What to bring to pre-school

A bag to hold belongings

A broad brimmed hat (caps and legionnaire hats are not suitable for pre-school as they do not offer sufficient sun protection)

Morning tea and lunch in a lunch box/ bag.

A drink bottle for water (we have water also available at all times of the day)

A full change of clothes.

On warm days, a warm top in case of weather change.

Warm jacket in winter (and beanie if you like).

If your child is still becoming confident in using the toilet, please ensure that several changes of clothes are included. Thank you!

Enclosed shoes are preferred for preschool. Thongs, slip-ons, dress shoes, gum boots and smooth-based shoes make climbing and running difficult and so are not suitable for preschool.
